

CAPITALIST FOUND MURDERED IN FLAT EARLY WEDNESDAY

Leopold Burckhardt, Cincinnati Capitalist, Is Found Dead In His Apartment—Robbery and Murder Theories Accepted.

With every door and window in his apartment closed and locked securely, Leopold Burckhardt, 60 years old, a retired capitalist, was found dead on the floor in the dining room of his home, Auburn avenue, Cincinnati, Wednesday morning. The police say that the circumstances surrounding his death constitute one of the most baffling mysteries in their experience, but, after an investigation of the case, say they believe he was murdered.

This view of the matter was taken by Coroner D. C. Handley Wednesday morning immediately following an autopsy performed by Dr. Oliver C. Coe, who reported that Mr. Burckhardt had been struck on the head.

At first the police were inclined to the theory of death by apoplexy, as much of the circumstantial evidence seemed to indicate such a cause. But, after an investigation, Detectives Genter (Gernhardt) and Hill, who were assigned to the case, said they thought the capitalist had been murdered.

One thing that caused the police to accept the murder theory was that Mr. Burckhardt was seen alive several hours after dark on Tuesday night, while the electric lights were not burning in the apartment where his body was found. They said this indicated the presence of some person in the apartment who turned out the lights after the man's death. The additional fact that a pocketbook supposed to have contained approximately \$1,000 was missing indicated that robbery might have been the murderer's motive.

Detective Genter said that several persons living near the flat building, which Mr. Burckhardt owned and lived in, told him they had seen the capitalist walking up and down in front of his home at 9 o'clock on Tuesday night.

FLEMINGSBURG HOUSE BURNED WEDNESDAY

Markwell Produce Company's House in Flemingsburg Is Destroyed By Flames—Auto Burns in Building.

The following is from the Flemingsburg Times-Democrat. The owners of the Markwell Produce Company, are the some of Mr. and Mrs. J. L. Markwell, of this city:

A few minutes before one o'clock Wednesday morning the large poultry house of the Markwell Produce Co., near Flemingsburg Mills, was discovered to be on fire, and it had gained such headway that nothing could be saved, and the building with its contents was totally destroyed, together with the Chevrolet touring car of Mrs. O. L. Hinton which was in one corner of the building.

It is hard to estimate the loss but Markwell's loss was probably over \$3,000 on stock and fixtures, with \$1,000 insurance. The building was insured for \$500, but the automobile was not insured.

The fire department worked valiantly to save adjacent property, the Flemingsburg Lumber Co. having big piles of lumber close to the burning building and to a big pile of rubber junk piled alongside, and they were able to save the lumber and other property. The south wind which prevailed at the time was a great asset in their favor in the fight as well as the light showers which fell intermittently.

The building was an old one, our first memory of it being when it was used by the late Thos. C. Newcomb as a tobacco warehouse in 1893-1894, there being a few crops of tobacco grown in the county then.

SENSATIONAL SUITS ARE BROUGHT IN THE BRACKEN COURTS

Leo G. "Happy" Neal Is Sued for Divorce and Alimony and In Turn He Sues His Wife's Parents for Alleged Alienation of Affections.

The Bracken Chronicle says: Last Saturday, Attorney Hargett, representing Mrs. Julian O'Neill, filed suit in the Bracken circuit court, asking for divorce, custody of her son, Leo, Jr., and alimony in the sum of not less than \$100 per month, from her husband, Leo G. (Hap) O'Neill alleging him to be guilty of cruel and inhuman treatment.

At the same time, Attorney Hargett asked for an injunction restraining Mr. O'Neill from molesting his wife in any way of going about their home on Seminary avenue; preventing him from disposing of \$5,000 worth of Liberty bonds and his automobile valued at \$800, as well as cash and other property he may have. This injunction was granted by Circuit Court Clerk Poage and served on Mr. O'Neill late Saturday afternoon.

On Monday, Attorney Byron, representing Mr. O'Neill filed suit against Mr. and Mrs. L. M. Brothers, parents of Mrs. Julian O'Neill, for \$100,000 for alienation of the affections of his wife.

Mrs. O'Neill is about 23 years old, while Mr. O'Neill is about 40.

Mr. Brothers is engaged in the undertaking and livery business and served Bracken county as sheriff for four years.

Mr. O'Neill is a son of John O'Neill, who served as Mayor of Augusta four years.

Mr. O'Neill is district superintendent for the Mutual Life Insurance company, and has been most successful in this business.

Naturally, the filing of the above suits has caused considerable discussion among our people, owing to the prominence of all concerned.

Mr. Brothers does not seem to be at all alarmed about the suit for \$100,000 filed against him by his son-in-law. He is willing to let the public be the judge when all the facts come out.

It is quite likely that both of these suits will be called at the March term of circuit court.

TOBACCO BILL TO BE BEFORE SENATE TODAY

Upper House Is Expected to Defeat Lower House's Resolution to Investigate Sending Troops to Newport.

Frankfort, Ky., Jan. 5.—Due to Senate action yesterday in giving the co-operative marketing act its second reading, the bill designed to aid the burley tobacco growers' pool will be in position to be passed by that body today. In the House, the measure had its first reading, and may be up for Passage Friday.

It is expected that the Senate will adjourn today for the week-end, but the House will meet again Friday.

Aaron Sapir, California marketing expert, and a principal figure in the organization of the co-operative association, is expected here Friday to make a speech before the House concerning the purposes and methods of the organization.

Speaker James H. Thompson labored far into the night, completing the arduous task of naming his committees, identity of which was promised for today. He said it had been his policy to place members on the committees which they preferred, wherever possible.

Close observers of the political weather-vane were predicting today that the Senate would refuse to concur in the joint resolution, introduced yesterday by Representative Herman G. Thompson, Republican, asking for the investigation of the sending of state troops to Newport to patrol an area surrounding a steel mill, where a strike had led to riotous conditions and indiscriminate firing. This resolution, under suspension of the rules, prevailed in the House by a vote of 55 to 33.

BIG RUSH OF WEED TO MARKET TODAY; PRICES STILL HIGH

Warehouse Filled and Street Blocked With Heavily Loaded Tobacco Wagons—Average for Today's Sales \$25.40.

There was more tobacco delivered to the Liberty Warehouse Thursday than at any time since the season opened. Early Thursday morning the roads leading to Maysville were filled with heavily loaded tobacco wagons and by 9 o'clock Thursday morning Commerce street was blocked and no more wagons could get into the warehouse.

As rapidly as the tobacco was sold, however, it was removed by the manufacturers to their re-drying plants and wagons were taken into the house and unloaded. Even with the removal of 115,000 pounds sold in Thursday's sale, there were still wagons in the street in the afternoon. It is thought, however, that all will be gotten into the house and unloaded by night.

Sales Thursday were quite satisfactory and, if anything, just a little stronger on the better grades with the lower grades remaining just as strong as at the opening of the market.

BANK PRESIDENT IS KILLED BY BANDITS

Robbers Seize \$12,000 Pay-Roll—Five Men In Chicago Suburb Hold-Up.

Chicago, Jan. 5.—John Soffel, president of the Maywood State bank, was shot and killed, and Louis Sweeney, chief of police of the suburb, and Arthur Benson, a bank messenger, were wounded today when five men robbed them of a \$12,000 payroll for the Maywood plant of the American Can company.

The bandits did not give the banker and his two guards a chance to hold up their hands. They ordered the payroll car to stop, and as it came to a halt opened fire, killing Soffel almost instantly.

Chief Sweeney was shot under the right arm and Benson in the side. The latter's injuries are serious.

The entire robbery occupied less than three minutes. The robbers drove away with the money, heading toward Chicago. The scene of the holdup was only two blocks from the bank.

SMALL DAMAGES AWARDED TO GIRL AGAINST FAIR CO.

Lella Rees Awarded \$500 Damages By Jury Which Denies her Father and Mother Damages on their Claims—Jury Out Long.

At about 3:30 o'clock Thursday afternoon, after being out since noon, the jury in the consolidated cases of D. W. Rees, Nellie Rees and Lella Rees, against the Germantown Fair Company, returned a verdict denying damages to Mr. Rees and his wife but awarding damages in the sum of five hundred dollars to his little daughter, Lella Rees, who was seriously injured when the amphitheater at the Germantown fair ground collapsed during the fair in 1920.

In their petitions Mr. Rees and his wife asked for damages in the sum of \$5,000 each and the daughter asked for damages in the sum of \$10,000. The cases, by agreement, were consolidated so that the total amount of damages sought was \$20,000. Judge Newell's instructions to the jury were that they were to return separate verdicts in each of the three cases.

Considerable interest has been taken in the case during the past two days while it has been on trial. It is understood that the Fair Company, at noon today, before the case went to the jury, offered to compromise for \$500 but were refused.

In the Mason Circuit Court Thursday afternoon the mandate of the Court of Appeals affirming the lower court in the case of Purnell vs. the Maysville Water Company, was filed. It has been indicated that this case may be carried to the United States Supreme court.

Mrs. John Crane, of Fifth Street, has returned home after a visit over the holiday season with her daughter and other relatives and friends at Lexington.

ADMISSION 15c and 25c

Many ambitious men and women live only half a life—and don't know it

No person whose nerves are continually irritated, whose appetite and digestion are disturbed, or who doesn't sleep well has more than half his normal chance for success in life. For weakness, debility, anemia and general lack of tone are a serious handicap to anybody.

Those who drink tea or coffee are often sufferers from these conditions. Tea and coffee contain caffeine, a substance which has a decided stimulant action on the nerves.

Each cup of strong coffee contains about as large a dose of caffeine as your doctor would ordinarily give to a very sick person.

You can readily see that the effect of giving this stimulant regularly to a well person might finally have a tendency to make him sick.

If you want to avoid a very common cause of irritation and enjoy restful sleep, good digestion, and the feeling of vigor and robust endurance that comes to healthy, normal people, quit tea and coffee, and drink Postum, instead. It is a rich, coffee-like cereal beverage—perfectly delicious!

Order Postum from your grocer today. Drink this fragrant, aromatic beverage and see how much better you'll feel—able to do more without becoming fatigued—as thousands have discovered for themselves.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes. Sold everywhere!

STATEMENT BY THE INTERNAL REVENUE COLLECTOR

Robert H. Lucas Calls Attention of
the Public To Two New and Im-

The following statement is issued
by Collector of Internal Revenue,
Robert H. Lucas, District of Ken-
tucky.

The Revenue Act of 1921 contains

EVER HAVE IT?

Maysville Citizen Will Interest
You.

Ever have a "low-down" pain in the
back?

In the "small," right over the hips?
That's the home of backache.
If it's caused by weak kidneys.

Use Doan's Kidney Pills.
Maysville people testify to their
worth. Read a case of it:

Mrs. R. L. Mattingly, 207 West Sec-
ond street, Maysville, says: "I was in
a bad condition with my back and kid-
neys. I couldn't get my proper rest at
night owing to the dull misery in my
back. I was feeling so miserable I
often had to let my housework go un-
done. I was dizzy by spells and also
suffered from rheumatic pains. I have
been so bad that I couldn't walk with-
out pushing a chair in front of me and
my lower limbs were very painful. My
kidneys were in a bad condition owing
to their irregular action. My mother
had used Doan's Kidney Pills success-
fully and that led me to send to Wood
& Son's Drug Store and get a couple
boxes. After using them I was all
right. I have felt well since using
Doan's and recommend them gladly."

two new and important provisions,
which are the subject of frequent in-
quiry. The first relates to the per-
sonal exemptions allowed married
persons, and the second to the provi-
sion requiring that a return be made
of gross income of \$5,000 or more.

The act provides that a married per-
son, living with husband or wife,
whose net income for 1921 was \$5,000
or less shall be allowed a personal ex-
emption of \$2,500. If the net income
of such person was over \$5,000 the ex-
emption is \$2,000. Under the Revenue
Act of 1918 the personal exemption al-
lowed a married person was \$2,000, re-
gardless of the amount of net income.
The normal tax rate remains un-
changed, 4 per cent. on the first \$4,000
of net income above the exemptions
and 8 per cent. on the remaining net
income.

In order that an income slightly in
excess of \$5,000 shall not be subjected
to an inordinately disproportionate
tax because of the reduction of the ex-
emption to \$2,000 thereon, the new
law provides that such reduction shall
not operate to increase the tax, which
would be payable if the exemption
were \$2,500, by more than the amount
of the net income in excess of \$5,000.

For example, on a net income of
\$5,010, the tax, without this saving
clause, would be \$120.40, which is 4
per cent. on \$3,010, the amount of net
income less an exemption of \$2,000.
The actual tax is \$110.40, computed
as follows: from the net income of
\$5,010 is deducted \$2,500, leaving \$2,-
510, the 4 per cent. tax on which
amounts to \$100.40. To this is added
\$10, "the amount of net income in ex-
cess of \$5,000."

The personal exemptions allowed

married persons, apply also to the
head of a family, a person who sup-
ports in one household one or more
relatives by blood, marriage or adop-
tion.

Heretofore a person whose net in-
come was less than his exemption

(\$1,000 if single, or \$2,000 if mar-
ried) was not required to file a re-
turn. Under the Revenue Act of 1921,
if the gross income of an individual
equalled or exceeded \$5,000, or if the
combined gross income of a married
couple and that of dependent minor
children equalled or exceeded \$5,000, a
return must be filed, regardless of
the amount of net income.

"Net income" is gross income, less
certain deductions. The fact that ad-
justable deductions from gross income,
for business expenses, losses, bad
debts, etc., may reduce the net income
to an amount below the personal ex-
emptions of \$1,000 or \$2,000, does not
alter the requirement to file a return
of gross income, if such gross income
equalled or exceeded \$5,000.

"SOME" CROPS.

Seventeen automobiles — none of
them tin-lizzies — and thirty-four
planos were unloaded at the little
freight station at Moxee in the state of
Washington in one week recently. The
autos and the pianos were part of
the purchases made by the farmers
after unloading their big crops of
peaches, pears and grapes on an
empty market, where they brought
top prices. Six carloads of the latest
household labor saving devices were
sandwiched in between the pianos and
motor cars, showing that the progres-
sive farmers of the West believe in
easing the labors of their better
halves.

CORONER'S VERDICT SAYS JOLLY KILLED HIMSELF.

A verdict of death caused by a bullet wound in the head, self-inflicted, was rendered Wednesday in the case of Algie Jolly, 32 years old, Mentor, Ky., by Walter B. Hughes, Coroner of Campbell county. Jolly killed himself on Monday morning at Mentor after firing two bullets into the body of Miss Ruby Shaw, 27 years old, station agent for the C. & O. Railroad at Mentor. It is said that he attempted to force his attentions on the young woman and she rejected him.

Funeral services for Jolly were held Wednesday afternoon at the residence of his brother, E. B. Jolly, at Mentor, burial taking place in Grand View cemetery. Miss Shaw's condition was reported improved Wednesday night at Speers Hospital, Dayton, Ky. It is expected she will recover.

CRAMPS, PAINS AND BACKACHE

**St. Louis Woman Relieved by
Lydia E. Pinkham's Vegetable Compound**

St. Louis, Mo. — "I was bothered with cramps and pains every month and had to go to bed as I could not work. My mother and my whole family always took Lydia E. Pinkham's Vegetable Compound for such troubles and they induced me to try it and it has helped me very much. I don't have cramps any more, and I can do my housework all through the month. I recommend your Vegetable Compound to my friends for female troubles."

Mrs. DELLA SCHOLZ, 1412 Salisbury Street, St. Louis, Mo.

Just think for a moment. Lydia E. Pinkham's Vegetable Compound has been in use for nearly fifty years. It is prepared from medicinal plants, by the utmost pharmaceutical skill, and superior methods. The ingredients thus combined in the Compound correct the conditions which cause such annoying symptoms as had been troubling Mrs. Scholz. The Vegetable Compound exercises a restorative influence of the most desirable character, correcting the trouble in a gentle but efficient manner. This is noted by the disappearance, one after another, of the disagreeable symptoms.

YOUNG COLORED MAN IS ADMITTED TO BAR

The following is from the Portsmouth (Ohio) Times, and the young colored professor-lawyer referred to is a son-in-law of Arthur Whaley of this city:

"E. M. Gentry, Attorney-at-Law," is the way a shingle which will probably be hung to the breeze in this city will read when the new barrister takes up the active practice of his chosen profession.

Mr. Gentry is a well known colored teacher and for the past ten years has been principal of the Eleventh street public school. He was one of 119 successful applicants who took the state bar examination held at Columbus early in December, according to announcement made Friday night at the capital by the examining committee.

The news that he had successfully passed the examination came as a welcome Christmas present to Prof. Gentry, who has always taken an active and leading part in the activities of the colored people of the city and his many friends will be glad to learn that he will remain here and practice his profession.

TEACHER WEDS PUPIL BUT STATUS REMAINS.

Owensboro, Ky., Jan. 5. — It was Miss Nell Scott, attractive teacher at the Calhoun High school, before the holidays.

Roy Baker was a pupil in Miss Scott's room. When school was resumed today Mr. Baker was in his usual seat and the teacher was at her desk. During the holiday, it became known today, she had married the pupil.

She will continue teaching school, and her husband will continue his studies.

AMERICAN LEGION SHOWN IN MIGHTY CONVENTION

In the International News to be shown at the Pastime Friday, the American Legion hosts are shown in mighty convention. World War leaders are in attendance. PENROSE TO BE BURIED IN PHILADELPHIA TODAY.

Philadelphia, Jan. 4. — Permit for the burial of Boies Penrose, late United States Senator from Pennsylvania, was issued today by the Laurel Hill Cemetery. No announcement of the hour or other arrangements for the services were made by members of the family.

WOMAN'S CLUB MEETS FRIDAY.

A meeting of the Woman's Club will be held Friday, January 6th at 2:15 at the Mission Home, the former Central Presbyterian church. The study of Community Drama will be continued under the leadership of Mrs. Leslie Brand. The program will consist of brief discussions on "Costumes for Plays," "Patriotic Pageants," "The Little Theater Movement," and a reading of a representative one act play. Mrs. Retta Fox will have charge of the special feature of the afternoon. A great deal of interest in these literary studies of the drama has been manifested by the club this season and this program promises to be most enjoyable.
